

### How JABA Helped Mary A. Martin

Mary Martin says that she would have been evicted and homeless if it had not been for JABA. With the help of a JABA case manager, Mrs. Martin was assisted in finding an apartment she could afford and received assistance with the payment of her electricity bill. “Now I can use my air conditioner and am no longer in danger of dehydration and heat stroke,” she says. Due to her cancer, she was not eating well so JABA began delivering meals at her home. And, because she was deaf in one ear and partially deaf in the other ear, JABA made arrangements for Mrs. Martin to receive a hearing aid. Today, Mrs. Martin is cancer free and loves living in her affordable apartment, which is near the store and the post office.
